Expeditionary Learning

No more hunting! Introducing easy-to-order collections for Expeditionary Learning classrooms.

Now it's easy to get the titles you need for Expeditionary Learning's (EL) ELA and Literacy Common Core Curriculum. For grades 3–8, we have created 3 types of collections that deliver on the specific requirements outlined in EL's curriculum. Select the collection or collections that best suit your classroom's needs.

1. Module Collections

Select these collections when you need classroom copies of titles for a specific module, 1 through 4. For each grade, we have assumed an average class size of 25*, so for each recommended central text, the module collection will include 25 copies of that title. Module collections are available on page 64.

NOTE: The curriculum guidelines instruct some texts should be available for 1/3 of the class, assuming in-class instruction. In these cases, only 8 copies of a title are included in the module collection.

2. Complete Classroom Collections

Use these collections when you need ALL of the assigned titles for the FULL grade-level curriculum across ALL FOUR curriculum modules. Each complete grade level collection assumes an average class size of 25*. Complete collections are available on page 63.

3. Teacher Collections

Teacher collections are grade specific and contain one copy of the central texts from the modules in EL's ELA and Literacy Common Core Curriculum. Teacher collections are designed to be used as reference materials and desk copies for the classroom teacher. Teacher collections are available on page 64.

**If your class size is smaller or larger than 25, please contact us and we will adjust the collection size accordingly.*
