Our most popular collections are now available in Spanish! Our content specialists have carefully identified Spanish or bilingual fiction and nonfiction titles leveled from A to Z. Available as 10–20 book leveled collections or as individual titles, your classroom libraries will be complete with balanced read alouds, shared reading materials, and grade specific word study resources.

Did you know it's easy to take our leveled collections or titles and create your own grade specific and leveled libraries? Simply use the Reading Correlation chart on the inside front cover of the catalog to identify the guided reading levels for your grade and create the perfect grade specific library providing resources at, above, and below reading level. Need help? Contact us at 1-800-922-6066 and we'll take the lead!

And if you need more leveled materials, check out our **Spanish Reading Recovery** catalog available online.

Authentic Spanish

Authentic is defined as “of undisputed origin; genuine.” We are pleased to offer Spanish classrooms and English Language Learners genuine, authentic materials. Our authentic Spanish collections are unique. They contain resources that have been originally written in Spanish, never translated, and/or have a unique point of view or cultural perspective from a Spanish speaking author.

Use these collections or individual titles to develop deeper literacy and broaden cultural understanding.

A Special Note Regarding Spanish Titles

Spanish titles are in demand. Yet, often interest is greater than availability. We work with the best Spanish publishers in the industry to identify and maintain availability of titles. If titles become unavailable or are on long term backorder, we will notify you of the change and our content specialists will work with you to identify substitutions. ¡Gracias!
