# Guided Reading Collections

## WHAT'S INSIDE?

Every student deserves books that meet them at their reading level and provide an appropriate challenge to increase fluency and comprehension. AKJ Education's Guided Reading collections offer a mix of new and classic titles leveled according to the Fountas and Pinnell guidelines. Our reading specialists prioritize titles that have been evaluated and leveled directly by Fountas and Pinnell. In some collections, titles leveled by our publisher partners are included to provide additional variety and balance. For additional balance, our collections also contain a mix of fiction and nonfiction.

## 2 TYPES OF COLLECTIONS

designed for Spanish classrooms:

### 1 starter COLLECTIONS

Use these collections when you need books at a particular Guided Reading level, A–Z.

### 2 classroom COLLECTIONS

Build the perfect classroom library! Grade level collections combine books from multiple guided reading levels to meet the reading standards for each grade—a library must-have.

## GRADE LEVEL CLASSROOM COLLECTIONS

are organized as follows:

## 20–24 BOOK CLASSROOM COLLECTIONS

Use these collections when you need books at a particular grade level, K–8. For each of the collections, our content specialists have selected books from the guided reading levels that apply to a particular grade. For example, below are the levels used in the Kindergarten Collection:

Kindergarten Levels A–E					Grade Level	Guided Reading
					Kindergarten <i>(at level)</i>	A
						B
						C
					Kindergarten-Grade 1 <i>(above level)</i>	D
						E

Use the Reading Correlation Chart on the inside front cover to determine which levels correspond with each grade level.
